Dear Mr. Roberts:

The Drum mine is tentatively scheduled for reclamation during the spring and summer of 1999. The reclamation of the Drum mine is one of the liabilities of the Jumbo Mining bankruptcy estate.

Prior to commencing the reclamation of the site, the Bureau of Land Management needs to obtain a relinquishment for all of the unsold items on the Drum mine site. A letter from you stating that the unsold items on the site have been relinquished from the bankruptcy estate would allow the reclamation to proceed in a timely manner.

If you have any questions, please contact Ron Teseneer at 435-743-3126.

Sincerely,

for Rex Rowley
Field Manager
